Planning Board,

On Wednesday August 16 the Montague EDIC met in open session to review the proposed zoning map amendment for Turnpike Road. The EDIC voted and unanimously passed a motion to support the proposed amendment. The EDICs economic development plan recognizes the shortage of commercial and industrial land in Montague and supports thoughtful planning efforts to sustain and expand montague's commercial base.

The minutes from the meeting are forthcoming. EDIC Chair Richard Ruth is cc'd.

Walter

Assistant Town Administrator
