

**Town of Montague Invitation to Bid**  
**Carnegie Library Basement Rehabilitation Project**  
**Addendum #2**

**Issued: 8/12/2024**

**Site Visit/Bidders' Conference** – See attached for a copy of the sign-in sheet from the mandatory bidders' conference held on 08/08/2024.

**Change in Scope** – Please see a revised SCOPE OF WORK for this project as detailed below and in the Revised Bid Form.

The BASE bid will be for the full scope of work listed, with the exception of Electrical Wiring Phase 1, as outlined below:

**16000 ELECTRICAL**

**16100 Electrical Wiring, Phase One**

- A. Install a new 100 amp subpanel on the 2nd floor. This shall be fed via MC and conduit where necessary. Path shall be along existing basement ceiling into open closet in Staff Entry on 1st floor and into hall at 2nd floor back stairway.
- B. Install 50' of 1" EMT in the stairway for data conductors.
- C. Install 3 new duplex data drops and three new quad receptacles surface mounted with wire mold on the 2nd floor, two to the right of the stage and one to the left of the stage.
- D. All data shall be run back to the basement and terminated at the existing data closet on an existing path panel.

This work shall constitute Alternate #1, which is listed on the amended bid form.

Additionally, while remaining within the base bid, we are requesting that bidders provide within their base bid a specified line item for all work completed under Section 15700 (HVAC).
