Millers Falls Riverfront Trail

Addendum #1

Issued: 9/16/2019

Trail Width-The accessible Trail will be 5' wide on average, but in no instances narrower than 4' or wider than 6'. Final grade to comply with USFS Universal Access Trails Guidelines to extent possible.

Stockpiling- Materials may be stockpiled on Newton Street

Parking/loading area-The contemplated "parking/loading area" has been removed from the scope of work.

Tree Removal-The proposed work will limit the removal of trees and existing vegetation to what is absolutely necessary for the 5' path. The path is designed to avoid removal of trees greater than 6" in diameter. No tree greater than 6" diameter is permitted to be removed without prior approval from the Conservation Commission. The general path is flagged in the field.

Order of Conditions-The Montague Conservation Commission has issued an Order of Conditions for this project. A copy of the order is included and must be adhered to. A DEP project sign must be posted.
