How else can we help?

We realize that not everyone owns a suitable device or has reliable internet, and that some may not have a knowledgeable friend or relative to provide assistance. With this in mind, we need to know:

1. Do you need help setting up an email account?

2. Do you need access to a "loaner" tablet or computer?

3. Do you need access to an indoor location that has good wifi service?

4. Do you need a call from a "tech buddy" before you get started?

And for those who are very confident Zoom'ers…

Are you able and willing to serve as a tech buddy to a Town Meeting member who needs extra support? If so, please let us know and we'll try to make a match!

If you answered "yes" to any of the preceding questions above or have a correction to the email listed above, please email or call us ASAP but no later than Tuesday, Feb 16, at 3pm. We will monitor responses over the long weekend. Please leave a detailed message with your specific needs or corrected email.
