Re: CSO Annual Notification **2023**

Certification of inspection and records maintained. As required by NPDES Permit No. MA0100137, Part 1.A.2.h., this letter contains the Bypass of Secondary Treatment Annual Report-CSOs.

Combined Monitoring

Continuous monitoring on the CSOs are performed by ADS Environmental Services and was installed in September 2009. Monitoring consists of pressure sensors and floats, which send data via radio telemetry with a summary of data presented in a monthly report. ADS inspections of the CSOs are performed every 4 months. For a summary of events, please review the supplied data below:
