Boutwell makes the motion to Execute the Agreement with National Water Main Cleaning, Inc. for the Turners Falls Main Drain Rehabilitation and Siphon Cleaning, in the amount of \$793,950. . Seconded by Nelson. Motion Carries, unanimously.

Cable Advisory Committee, Assessment to Selectmen regarding MCCI's Annual Report

Jason Burbank: This is just to take care of some procedural matters; we awarded the contract to MCCI for cable public access television and that was going to be contingent upon their performance. In March we receive their annual report for 2015, copies were passed out and we reviewed these back in May. We also received a supplement on local programming; we discussed this with them at some length and at our meetings after we received it we feel that it is quite an adequate showing. Everything is showing some real effort some serious improvements have been made since their former years. The printout doesn't do very well with the equipment list but the files they provided did show it is a clearly extensive equipment list. Simile the list of local programs was pretty extensive; the first run shows for 2015 that was a significant concern to a lot of people in the process up to the contract negotiations so we voted to except this a recommend approval and continuation of the contract to the selectmen; so I'm here just present that to you. Request for committee members, send letter of interest to Town Hall.

Boutwell makes the motion that the board except the 2015 Annual Report from MCC I and recommendation of continuing the contract . Seconded by Nelson. Motion Carries, unanimously.

Town Administrator's Report

Boutwell makes the motion to appoint John Zellmann as Emergency Management Director from September 2, 2016 until June 30, 2017. Seconded by Nelson, Motion Carries unanimously.

Alecia Matthews, Dan Glanville, Comcast Cable, Broadband Grant

Glanville: I'm here with my colleague Alicia Matthews and we wanted to come in and speak to you briefly first with regard to the MBI grant proposal that is happening. We did respond to an RFQ early on which we did submit some data for the pursuant to what was available to us based on MBI data. We have a proposal that includes certain areas of town if the grant goes forward. We would have a reconciliation meeting which would take place nearby; we would then review the data

**SELECTMEN'S MEETING
UPSTAIRS MEETING ROOM
1 AVENUE A, TURNERS FALLS, MA
MONDAY, July 11, 2016**

available on certain areas and our commitment would be to get to a minimum of 96% in Montague. That is the basic position of what is being proposed. We do understand there have been some issues in regards to certain areas not being included in our initial response to the RFQ that stated we believe the reconciliation meeting will allow for discussion pertaining to those particular areas.

Kuklewicz: My concern is we get as much coverage as we can into town. MBI has made the decision; we had some other thoughts as you know. Our goal is to get as many residents served as we can with Internet service and broadband and get them connected. We have some pretty populated areas where there is a fair amount of population that is unserved;

Glanville: There will be a minimum of 96% and most of the areas of town that are included will go above the 96%; close to 100%. As we said, we will be happy to go over additional details at the reconciliation meeting with our construction engineers present; I cannot sit here tonight and talk about particular areas. I will say there have been particular areas that have been raised at meetings that we have analyzed and reviewed and will be part of the reconciliation process 36:55

Burbank: Do we get a map of areas to be served or expected to be served.

Matthews: We've been negotiating with MBI we use the MBI data to formulate our response. We informed MBI that our data was not consistent with MBI so we need to reconcile that. After we sign an agreement within 180 days we would work on this reconciliation with the Towns.

R. Steinberg: If I understand this correctly, MBI will be signing a contract but there is no contractual commitment to any map to who will be served?

Matthews: In the agreement there will be a commitment to serve to the MBI specification of 96% minimum across the Town

Glanville: We have mutual goals to serve as many people as possible, we believe it will be close to 98% served.. We don't place poles, we are pole attachers and pay rent.

Further discussion held regarding future technology launches, future plans, what reconciliation meeting will entail

Rick Widmer

Veteran's Day Event at Highland Park on Sunday November 11, 2016

This is still in the planning stages and will be discussed at a later date.

Mural Project in Millers Falls on Railroad Property, August 20 – 21, 2016

Widmer: I noticed there is a footing of the bridge near Newton Street and would like to put up a mural on the wall. Chief Dodge was able to reach out to the railroad and was able to get permission for us to do this. I have been working with local groups to come up with an idea on what to paint there. I think it should be something that inspires people.

Boutwell makes the motion to authorize Rick Widmer, Church St, MF and the Millers Falls Improvement Association to have a mural on the Millers Falls train bridge and this has been signed off by Chief Dodge. Seconded by Nelson, Motion Carries, unanimously.

Personnel Board

Appoint Rebecca Walsh, DPW Custodian, UE Grade A, Step 1, \$13.89/hr. effective 7/12/16

Boutwell makes the motion to appoint Rebecca Walsh, DPW Custodian, UE Grade A, Step 1, \$13.89/hr. effective 7/12/16.

Seconded by Nelson, Motion Carries unanimously.

Boutwell makes the motion to appoint Jacob Sisson as DPW summer help at \$10/hour, 40 hours week, effective 7/12/16.

Seconded by Nelson, Motion Carries unanimously.

- Miscellaneous announcements made

Boutwell makes the motion to appoint Chris Bonnett as Police Lieutenant, effective July 12, 2016, Grade G+8/5%, Step 6, \$34.78/hr + 10% Educ. 10% Educ. Incentive. Seconded by Nelson, motion carries unanimously.

Other

Dodge: We received a request from the Municipal Police Training Counsel asking if we had any officers worthy of any lifesaving awards. I reviewed our logs for the past year and I found incidents where our officers used their training to bring someone back to life. The Counsel reviewed these and agreed and have awarded CPR and First responder Awards to Staff Sergeant, Lieutenant Bonnett, Patrolman Deery, Patrolman Lapachinski, and former patrolman Kyle Whalley. I want to congratulate those 5.

Blacktopping will be held in front of the Farren tomorrow

Executive Session under G.L. c.30A, §21(a)(1) to discuss the reputation, character, physical Condition or mental health, rather than professional competence, of an individual, or the Discipline or dismissal of, or complaints or charges brought against, a public officer, employee, staff member or individual, votes may be taken

Kuklewicz declares having this in open session will be detrimental to the public good.

Nelson declares he is hanging up as he is not able to be in a remote location.

Boutwell makes the motion to go into Executive Session under G.L. c.30A, §21(a)(1) to discuss the reputation, character, physical Condition or mental health, rather than professional competence, of an individual, or the Discipline or dismissal of, or complaints or charges brought against, a public officer, employee, staff member or individual, votes may be taken. Seconded by Kuklewicz, approved. Boutwell – Aye, Kuklewicz - Aye
