Town website needs to be updated in terms of members and when their terms expire.

4. Kathy spoke with a select board member who thought that the town could match MCC funds with ARPA funds for the next 2 years and then revisit things.

5. Website needs to be updated. Maggie graciously volunteers! Or perhaps James? In collaboration?
6. Friday is First Generation performance at the Shea that we helped fund.
7. *Connect with Riverculture, updates, info, ideas*

Need to create a email group to be able to send out mass mailings to all the recipients of grants.

How to solicit public opinion? Survey? Can we access Suzanne's RiverCulture info so that we aren't asking the same questions? Facebook poll?

How would we use more money?
