Outside Event – Fire Department Requirements

Are you using a generator at the event?

- You must have a fire extinguisher with a minimum rating of 2A:10BC.

Are you cooking at the event?

- You must have a fire retardant *NFPA 701 flame certified* tent or canopy. ***Certification tag must be affixed to the tent or canopy.***
- People in the tent must be limited to those involved with food preparation.
- Food should be served at the outer edge of the tent or canopy.

Are you cooking with Propane (LP), wood, or charcoal?

- You must have a fire extinguisher with a minimum rating of 4A:60BC.
- LP-gas containers should be located at the outer edge of the structure and secured to prevent tipping, damage or tampering.
- The LP container shall be accessible to operators and first responders.

Are you cooking with a flat-top grill or a deep fryer?

- You must have a K Class extinguisher.

Are you cooking in a food truck/trailer?

- You must have a hood system equipped with a suppression system. Hood and suppression system must have up-to-date inspection and service/cleaning completed with proper sticker/tags present.

Inspections will be conducted by the Turners Falls Fire Department prior to the start of the event.

Failure to comply with any of the above Fire Department requirements will result in forfeiture of vending at the event with no refund.

If you have any questions at all regarding these fire safety rules, please call the Turners Falls Fire Department at 413-863-9023
