Debt Exclusion for New Main Library

Shall the Town of Montague be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the bond issued in order to fund the assessment, planning, feasibility and/or design, permitting, constructing, equipping, and furnishing a new main library to be located at 38 Avenue A in Turners Falls, and for all other costs incidental or related thereto.

A "Yes" vote shall mean that the Town of Montague will be allowed to exempt from the limits of Proposition 2½ the amounts required to pay borrowing costs associated with the assessment, planning, feasibility and/or design, permitting, construction, equipping, and furnishing of a new main library at 38 Avenue A in Turners Falls, including all other incidental and related costs. This would result in a temporary increase in property taxes to pay project debt costs.

A "No" vote shall mean that the Town of Montague will not be allowed to exempt these borrowing costs from the limits of Proposition 2½, and the Town would not have authorization for this proposed borrowing.
