SECTION 1:

It is acknowledged and agreed that during the course of the negotiations preceding the execution of this Agreement, all matters and issues of interest to the Union, to the Employees and to the Town, pertaining to salaries, wages, hours and conditions of employment have been fully considered and negotiated, that each Party was afforded a full opportunity to present and discuss proposals pertaining to salaries, wages, hours and conditions of employment and that the understandings and agreements concluded among the Parties during said negotiations are fully stated in this Agreement.

SECTION 2:

The Union, the Employees and the Town agree that during the term of this Agreement, all matters and issues pertaining to salaries, wages, hours and conditions of employment are and shall be governed exclusively by and limited to the provisions of this Agreement. Neither the Union nor the Town shall be obligated to negotiate with the other during the term of this Agreement with respect to any matter or issue pertaining to salaries, wages, hours or conditions of employment, whether or not specifically included in this Agreement or discussed during the negotiations preceding the execution of this Agreement; provided, however, that nothing in this Article shall in any way limit or restrict the rights and duties prescribed in the Grievance Procedure.

The failure by the Town, the Department or the Union in one or more instances to observe or enforce any provisions of this Agreement shall not be construed to be a waiver of said provision.

ARTICLE 2

ADJUSTMENT OF GRIEVANCES

SECTION 1:

The Town, the Union and the Employees agree that in the manner and to the extent provided in this Article, the exclusive method for the adjustment, processing and settlement of a grievance as defined in this Article is and shall be in accordance with the grievance and arbitration procedures prescribed in this Article. A grievance is defined as a claim or a dispute between the Town and either an Employee or the Union, pertaining to the application of or compliance with the express provisions of this Agreement. The Town, the Union and the Employees agree to observe and follow the procedure prescribed in this Article and, subject to the provisions herein, to be bound by any decision which shall be made in accordance with said procedure.

SECTION 2:

The grievance shall be in writing and signed by the aggrieved Employee on a form furnished by the Department and delivered to the Chief. A grievance which is not presented to the Chief as provided in this Paragraph within five (5) days, exclusive of Saturdays, Sundays and the legal holidays named in Article 22, after the occurrence or the knowledge of the alleged cause of the grievance shall be deemed to have been waived.

SECTION 3:

Except as otherwise specifically provided in this Agreement, a grievance as defined herein and otherwise subject to this Agreement, shall be processed in accordance with the following Grievance Procedure:

STEP ONE: Within five (5) days, exclusive of Saturdays, Sundays and the legal holidays named in Article 22, after the filing of the written grievance, a meeting will be held between the aggrieved Employee and the Chief, at which, at the request of the aggrieved Employee, one (1) representative of the Union may be present. Within five (5) days of receipt of such notice, the Board will meet with the Grievant and the Union representative(s) and within five (5) days of the close of the meeting, the Board shall issue its decision on the grievance, in writing.

By mutual agreement, in writing, between the Employer and the Union, two (2) or more separate current grievances otherwise subject to this Agreement which involve the same matter or question and which affect a group or class of Employees, may be consolidated and processed as a single grievance; provided, however, that such procedure shall be subject to all the provisions of this Article. The Town or Department may institute a grievance by a notice, in writing, to the Union. Within five (5) days after mailing of said notice, the grievance shall be discussed by the Chief or his designated representative and a representative of the Union. If, within five (5) working days after said discussion, the grievance is not settled to the satisfaction of the Chief, the grievance may be submitted to arbitration by the Town or the Department in the manner provided herein.

SECTION 4:

A grievance, which is not settled after the completion of the Grievance Procedure prescribed herein, may be submitted to arbitration in accordance with the following procedure:

- (a) The request for arbitration may be made by the Union or by the Department, by notification in writing to the other Party, within five (5) working days after the date of final determination under the Grievance Procedure, as provided in Section 3, above.
- (b) Within ten (10) working days after such notification, the Party requesting arbitration shall execute and mail a written request to the American Arbitration Association, One Center Plaza, Suite 300, Boston, Massachusetts 02108, for the appointment of a panel of arbitrators and a copy of said request shall be simultaneously mailed to the other Party, unless during the said

ten (10) day period, the Department and the Union mutually agree upon an arbitrator.

- (c) The request for an arbitration shall state the provision of this Agreement allegedly violated and shall state the remedy or the relief sought by the Party requesting arbitration.
- (d) Within twelve (12) working days after the mailing by the American Arbitration Association (AAA) of a panel of suggested arbitrators, the representatives of the Department and of the Union shall select an arbitrator in accordance with AAA's Labor Arbitration Rules.
- (e) The authority of the arbitrator shall be limited to the terms and provisions of this Agreement and to the questions which are submitted; provided, however, that the arbitrator shall not have any authority to establish salaries or wage rates or conditions of employment; or add to, subtract from, modify or otherwise change the terms or provisions of this Agreement. The arbitrator shall not be empowered and shall have not jurisdiction to infringe upon or to limit the managerial functions, rights and responsibilities of the Chief or of the Town, or to base his Award on any alleged practices or oral understandings which are not incorporated in writing in this Agreement. The arbitrator may not award back pay or any other form of compensation for any period beginning earlier than ten (10) days prior to the filing of the written grievances as provided in Step Two, herein. The arbitrator shall not be empowered and shall have not jurisdiction to substitute his judgment or discretion for the judgment or discretion of the Department or of the Chief, in any case where the judgment or discretion is retained by or given to the Town, the Department or the Chief, under a provision of the Law. Subject to the provisions of this Article, the arbitrator shall have the authority to award compensatory damages.

conclusively binding upon the Department, the Union and the aggrieved Employee or Employees.

- (g) The expense of the arbitration and the expenses directly related to the arbitration hearing shall be shared equally by the Town and by the Union except for witness and transcription costs.

SECTION 5:

By mutual agreement, in writing, between the Department and the Union, a grievance, otherwise subject to the Grievance Procedure and otherwise subject to this Agreement, may be directly submitted to arbitration as provided herein. The Parties need not arbitrate and will not be bound by any arbitration award involving a matter also subject to potential Civil Rights, Civil Service, Retirement Board or Massachusetts Labor Relations Commission litigation, unless the Party is first satisfied that such other procedures and avenues of litigation have been effectively waived by the affected Employees and by the other Party on a form agreeable to the Parties.

SECTION 6:

Except where an extension of time has been sought and obtained, the time limits herein are considered as maximum. If either of the Parties fails to or does not comply with the time limitations provided in Section 2 of this Article, then the grievance moves to the next Step.

SECTION 7:

The breach of any of the provisions of this Agreement shall, at the option of the Department, terminate the obligation of the Department to process a grievance or to arbitrate a dispute underlying the breach while the breach continues; provided, however, that the fact of the occurrences of said breach shall be subject to arbitration as provided in Section 4 of this Article.

SECTION 2:

During the probationary period, the Employee will not acquire any seniority but will be entitled to receive pay for any of the holidays, vacations and/or other benefits set forth in this Agreement that fall within probationary period, unless modified by another Article of this Agreement. Employees assigned to an administrative schedule shall be compensated for 40 hours per week. Each Employee's weekly schedule will be determined by the Chief of Police.

The Chief of Police, in making such shift assignments, will give consideration to an Employee's particular abilities and qualifications, physical condition and length of service. Requests for change in shift assignment will be processed annually and be effective each January 2; provided, however, that the Chief of Police remains the final authority, solely in his discretion as to the exercise of the above in making any and all shift assignments, with the understanding the Chief's assignments, if thought to be arbitrary or capricious, are subject to challenge through the Grievance Procedure.

SECTION 2:

The Union and the Employees recognize (1) the necessity that the Employee report for work regularly and on time, and (2) that absenteeism and tardiness seriously affect the efficient operation of the Department. ARTICLE 32
SUBSTANCE ABUSE

The purpose of this program is to establish the fact that the Town of Montague and its Employees have the right to expect a drug-free environment in the workplace. The main emphasis of the program is not to be punishment, but of counseling and rehabilitation of Employees with a problem of alcoholism or drug dependency.

No drug testing of Employees shall be permitted on a random or universal basis, except as hereinafter provided. Testing shall only be permitted where there is both reason to suspect drug or alcohol use and evidence that this suspected use is affecting job performance. It is recognized that the drug and alcohol testing constitutes an investigation and therefore the Employee's *Weingarten* rights apply with regard to all drug and alcohol testing issues. Drug and alcohol testing shall be permitted based upon the reasonable suspicion standard hereinafter provided. Immediate testing shall be permitted and the results shall be held in confidence, subject to the Review Committee's decision as hereinafter provided.

The Chairman of the Selectboard or, in his absence, his nominee, the Department head, or designee in the Department head's absence, shall provide a suspected Employee and the Union (officer designated by the Union), if applicable, with a written report evidencing their reasonable suspicion within a reasonable time in advance of the proposed test.

The Employee may initiate a review of the directive to be tested. The directive shall be reviewed by a Committee of four (4), comprised of two (2) full-time Union officials, Town Counsel or his nominee, and an individual with training in drug/alcohol, agreed upon by both Union and management.

The Committee will review evidence brought against the suspected Employee, and only after a majority of members of the Committee vote in favor shall testing be required or confirmed. Three (3) or more members shall constitute a quorum. The Committee shall meet and vote within two (2) days of notice to the Union.

The Employee shall be provided with a test sample at the time the testing is conducted. Testing to be performed is to be the more expensive, highly accurate nature, so as not to subject the Employee to more stress and embarrassment from a false positive result of the less expensive test.

The Parties shall ensure the confidentiality of the testing process and results. Access to information about the tests shall be limited to the Employee and only members of management and Union officials with a compelling need for this information.

The following information shall be provided to the Employee:

1. A copy of the testing program procedures.
2. A description of the sample-gathering protocol.
3. A list of tests to be used.
4. The name and location of the laboratories to be used.
5. The test results in writing with an explanation of what the results mean.

The basis for the directive to submit to a drug test sample shall be based upon facts sufficient to constitute reasonable suspicion of controlled substance use.

Objective facts that shall be used in evaluating an Employee's condition are the following:

- | | | |
|----|------------------|--|
| 1. | Balance: | sure/unsure/questionable |
| 2. | Walking: | steady/unsteady/questionable |
| 3. | Speech: | clear/slurred/questionable |
| 4. | Attitude: | cooperative/uncooperative/questionable |
| 5. | Eyes: | clear/bloodshot/questionable |
| 6. | Odor of alcohol: | none/strong/questionable |

It is required that the observations of these objective facts by a supervisory Employee be documented in a form signed by the supervisor. In addition, there should be a place on the form for the supervisor to document other relevant facts, such as admissions or explanations by the Employee concerning his/her condition.

Reasonable suspicion shall be based on information of objective facts obtained by the Town and the rational inference(s) which may be drawn from those facts.

The credibility of sources of information whether by tip or informant, the reliability of the facts of information, the degree of corroboration, the results of

Town inquiry and/or other reasonable factors shall be weighed in determining the presence or absence of reasonable suspicion.

The following are representative but not all-inclusive examples of such circumstances:

1. An Employee deemed impaired or incapable of performing assigned duties.
2. An Employee experiencing excessive vehicle or equipment accidents.
3. An Employee exhibiting behavior inconsistent with previous performance.
4. An Employee who exhibits irritability, mood swings, nervousness, hyperactivity or hallucinations.
5. An Employee who is subject to substantiated allegations of use, possession or sale of drugs and has not agreed to participate in a rehabilitation program.

If the Review Committee concludes that further drug screening by means of urinalysis is warranted, such testing shall be conducted immediately or within three (3) months on a random basis as determined by the Town in the Town's sole discretion and on Town time. If these procedures are not followed, Employees may refuse to submit to the test without being disciplined. Alcohol testing shall be performed without Committee review based upon reasonable suspicion as hereinbefore provided.

If drug testing is warranted, an Employee may voluntarily participate in a rehabilitation program as a substitute for the said permitted three (3) months random testing. Said participation is subject to the requirements and obligations of the rehabilitation program as hereinafter provided.

Except as to a grievance that the Review Committee has not followed the procedure outlined in this Article, the decision of the Review Committee to require alcohol and drug testing shall be final and binding and not subject to the Grievance and Arbitration Procedure. The test sample taken from the Employee shall be secured by the Town physician, the Nurse Practitioner or a testing laboratory

designated by the Town and the Union. Failure to provide the test sample as directed will result in disciplinary action.

In the event that the test proves negative, the Employee will be paid double-time for all time used in this process.

Termination of employment is appropriate where an Employee has been offered the rehabilitation options set forth herein and has thereafter failed a test lawfully required; or where the Employee operated a vehicle under the influence; or where the Employee fails to be tested within the established time limit or otherwise interferes with the testing process. In the absence of such circumstances, the following procedure is to be offered to the Employee:

Rehabilitation programs shall be mandatory for Employees with confirmed positive results or for any Employee admitting drug usage. Available sick leave may be utilized to accommodate participation in an approved rehabilitation program.

It is the intention of this Article that an Employee who is found to test positive on the drug screening shall be treated within the Employer/Employee relationship. It is incumbent upon the Employee to submit a proposal to the Town to be reviewed by the physician designated by the Town for approval. It is the intention that such proposal includes a drug rehabilitation clinic, whether on an out-patient or in-patient basis. The Employee may utilize sick days for such in-patient programs. Leaves of absence without pay for such reasonable periods will be allowed. The Employee shall be expected to comply with all the requirements and regulations of the substance abuse rehabilitation clinic and the failure to abide by all such conditions and requirements shall be a basis for termination of employment.

The Employee agrees to submit to random urinalysis testing at the discretion of the Town for a period of one (1) year after returning to work after commencing said program. If any test during such time yields a positive result, the Employee shall be immediately subject to disciplinary action which may be termination of employment.

It is agreed that the Parties will make every effort to protect privacy and confidentiality. The Parties will develop a specific plan to protect privacy.

ARTICLE 33

ARTICLE 34
