Montague Selectboard
1 Avenue A
Turners Falls, MA 01376

Dear Montague Selectboard,

The town of Montague has shown its commitment to accessibility in the redesign of the Avenue A Streetscape and Spinner Park. We are pleased to learn that the town will continue this commitment by planning to install ramps serving 74 and 78 Avenue A this summer as well in future segments in the streetscape.

In the continued spirit of this commitment to accessibility, we respectfully request that the town direct a portion of grant funds for the creation of a ramp on the west side of Avenue A beginning at the corner of 102 Avenue A and ending at the corner of 112 Avenue A. This section of the street contains four small businesses in two buildings; Waterway Arts, Textur Beauty Bar and The Upper Bend Cafe and Avenue A Market. These small businesses serve the local residents, as well as the larger community of Montague and surrounding towns. The ramp would be within the public right-of-way and integrate into the streetscape. This is an opportunity for the town to correct a missed opportunity from when this section of streetscape was rehabilitated in 2013. We suggest that it would be a wise use of ARPA recovery funds or any surplus Community Project Funds.

We believe this commitment to accessibility is in keeping with Montague's vision of a community that cares for and serves all of its residents and visitors.

Thank you for your consideration.

Best,

John McNamara, 7 Chestnut St, Turners Falls, MA; property owner 102 Avenue A; co-owner, LOOT

Erin MacLean, 7 Chestnut St, Turners Falls, MA; property owner 102 Avenue A; co-owner, LOOT
