

Town Meeting Member Information for the May 16th Annual Town Election

Every year, there are seven seats up for election in each of the six precincts for a three-year term. Anyone can take out nomination papers and get the required ten signatures from registered voters that live within your precinct.

It is always best to gather a few extra signatures – there could be circumstances where some signatures may be invalid. More is better.

A town meeting member is the legislative body that votes the town's budget, other money and non-money articles. Montague has 126 town meeting members.

This year there are some town meeting member vacancies for less than a three-year term, due to resignations, people moving out of town, etc.

- Precinct 3 has:
 - three two-year seats open.
 - two one-year seats open.
- Precinct 5 has:
 - one one-year seat open.
