## OVERNIGHT WINTER PARKING PERMIT RULES

1. Permit Areas: A parking area has been established and shall include all posted on street parking areas on the south side of L street between Seventh and Fifth Street and on the north side of Prospect Street between L Street and Central Street.
2. Eligibility: Eligibility is open to anyone who lives in downtown Turners Falls. Permits are issued to individual residents, not landlords.
3. Application Requirements: All applicants must have valid driver's license, current vehicle registration, and proof of residency in Turners Falls. Permits will not be issued to anyone with outstanding motor vehicle excise or parking ticket accounts
4. Access to spaces: No particular permitted parking space shall be reserved for the use of any individual permit holder. Any holder of a parking permit may use any posted parking permit space in said area. A parking permit entitles its holder or user access to any posted parking permit space for which the permit or pass is valid, but does not ensure the availability of any such space. Spaces may be used by used by non-permit holders outside the overnight hours parking ban.
5. Display Requirements: To be valid, permit stickers shall be permanently affixed to a window on the driver's side. Stickers that show evidence of tampering or movement from one vehicle to another will be revoked.
6. Annual Fees: The fee for the permit is \$25.
7. Permit year: The effective parking permit year shall be from December 1 of one year through April 1 of the following year. (Example 12/1/2018 – 4/1/2019)
8. Assignment by Lottery: Initial permits will be issued by lottery held by town officials on or after November 28, 2018. Up to 20 permits will be issued initially. Successful applicants will be invited to submit required documentation and fees until December 6. Unsuccessful applicants will be notified. Subject to availability, permits may be applied for and purchased throughout the year.
9. Use Regulations: 1) No snow is to be moved into the public way following a storm event. Cars may become plowed-in during snow events, but the residual snow from cleaning out your vehicle must not be brushed, pushed, shoveled or otherwise moved into the travelled right of way. It will be the permit holder's responsibility to dig your car out 2) In order to accommodate clearing of the parking area, vehicles must not be parked during the posted "no-parking" period 3) Vehicles must park inside the posted areas
10. Penalties: A violation of Section 9 may include the following: a warning flyer, issuance of a parking ticket, towing, or revocation of parking permit.
11. Permit Revocation: The Town Administrator reserves the right to revoke the permit privileges of any permit holder who fails to abide by the requirements of the overnight winter parking pilot program.
